KEEPING YOU UP TO DATE WITH WHAT'S HAPPENING IN YOUR COMMUNITY

WELCOME!

In this issue of Your Community News we share with you details of the frightfully exciting Halloween Party at Providence Street Placeshaping Community Centre. You'll also find news about an award winning football club from Hillington Square and a successful open day for National Heritage Day.

HILLINGTON SQUARE PHASE FOUR UPDATE

As you will no doubt have seen, the work continues on phase four of the regeneration at full pace.

With a completion date scheduled for the end of 2017 we remain confident that we will be moving tenants into the completed block early next year.

Preparations have already begun for the work on Aitkin and Chestnut House, which will make up phase five of the redevelopment.

NORFOLK FA COMMUNITY AWARDS

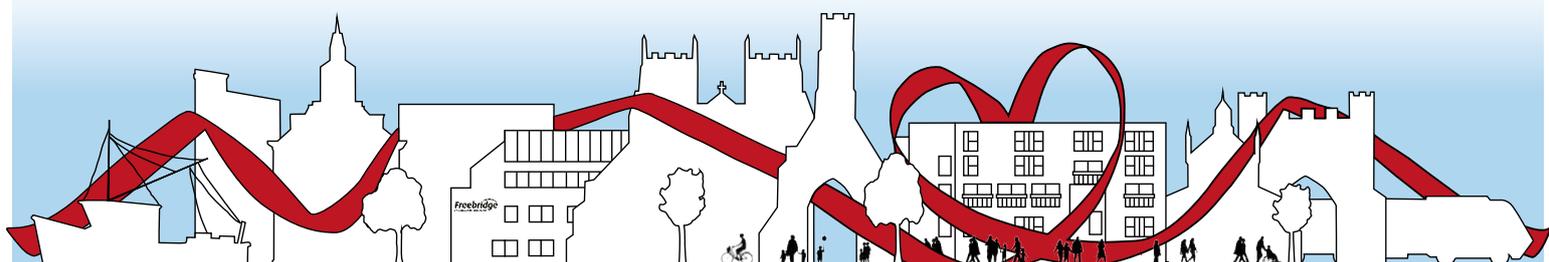

The Hillington Square Football Club, based out of Providence Placeshaping Community Centre, have been awarded Best Inclusive Project at the Norfolk Football Association Community Awards.

The awards were judged by a national panel of experts which included World Cup winner Sir Geoff Hurst, and winners received various prizes including match tickets, coaching bursaries, kit or equipment.

Alice Henderson, team coach and Freebridge employee, said: "I am delighted that the volunteers and young people that attend these football sessions have been recognised for their commitment to the club.

"A lot of the young people are the same children I met when I first began coaching them, and seeing them develop their skills has been a real pleasure."

HERITAGE OPEN DAY

Freebridge opened the doors of the Hillington Square show flat for National Heritage Day on Sunday 10 September.

Despite its location away from the town centre the flat saw a steady footfall throughout the day, with the final count recording 88 visitors.

Along with some of the younger faces from Hillington Square, the flat saw visitors from across West Norfolk, and some from further afield. Heritage Day provided us with a unique opportunity to share the progress we are making on Hillington Square.

Throughout the day volunteers from within Freebridge gave up their own time to ensure the flat was in good condition and open for the new visitors to the square.
