Benefit overpayments/social fund deductions	£	Hire Purchase	£
Childcare Costs/Maintenance Payments	£	Other	£
T.V. Package/Internet	£	Total (B)	£

Calculate your disposable income as follows:

Total (a) **minus** (-) Total (B) = Disposable income per week/month

If Total (B) is a higher amount than Total (A), it may be worthwhile booking an appointment with our Income Team to help you to find ways to reduce your outgoings.
